the amount that is now available at the credit of the Mall. In his letter of 27-7-1910 it had been reported that there matt had at its credit of a Saving of Rs 3760/- (in another para of the same letter it is quoted as Rs 3670/-). More than 3 years have since elapsed and so the Savings may have considerably increased.

The Dy Comr's letter is silent about the enhancement of the allowance payable to the Swamigalu on which point a report was also called for in Sl. 19 of the file and reminders were given in Sls 31 & 37 and again in this office docket no 1608 of 11-4-13 the allowance tentatively sanctioned in to the Swamigalu in Sl 37 expires by Nov 1913. The report on this point is therefore urgently needed.

The Estimate is for Rs 4210. The amt at the credit of the matt at the end of July 1913 was Rs 3825-11-7. and the Dy Comr recommends that half the cost of the Estimate may be debited to the funds of the Instn & the other half contributed by Govt from State grant. But the Swamigalavaru requests that the whole amt may be given from Govt. As regards the construction of the Mutta, it is a point for consideration whether any share of the cost should be met by Govt. The Govt grant is all too small and this year a large slice of it will have to be reserved for the repairs of the Nilgiris Chattrams for which estimates are under preparation.

In the case of the Tiruvaiyaru Mutta, the precedent quoted of the Srirangam, a grant-in-aid of Rs 5000 was granted from the State grant in 1906-7 towards the construction of the New Mutta. In approving a grant of Rs 1000 may be made in the case of the Hariharapura Mutta which would still leave Rs 600 to the credit of the Mutta after meeting the cost of construction.

The estimate has not been checked by a responsible D.P.W. officer but this does not appear to be quite necessary as the building is an ordinary one and the Swamigal himself proposes to supervise the construction.
